Water Security Agency

Vice President, Agriculture Services & Economic Development

Location: Moose Jaw, SK
Annual Salary: $151,224 to $189,024 (MC12)
Competition Number: WSA-43-2026/27

A Career That Connects Us

Water connects Saskatchewan's communities, economy, agricultural sector and future. At the Water Security Agency, our work helps ensure Saskatchewan's water resources support continued growth while meeting the needs of communities, industry and agriculture across the province.

We are seeking an exceptional leader to serve as our next Vice President, Agriculture Services & Economic Development.

As a member of WSA's executive leadership team, you will provide strategic leadership and direction for a diverse portfolio that includes agriculture, irrigation, and economic development. You will play a key role in advancing initiatives that support Saskatchewan's agricultural sector, enable responsible economic growth and help position WSA to meet the province's evolving water needs.

This is an opportunity for a strategic and results-focused leader who can navigate complexity, build trusted relationships and translate strategy into meaningful outcomes. You will lead major programs and investments, contribute to policy and long-term planning and work collaboratively with government, industry, Indigenous communities, municipalities other partners across Saskatchewan.

As Vice President, you will:

- Provide executive leadership and strategic direction for WSA's agriculture, irrigation and economic development priorities.
- Lead the development and execution of strategies, programs and investments that support responsible water use, agricultural development and economic growth.
- Build and maintain strong relationships with government, Indigenous communities, municipalities, industry and other stakeholders.
- Lead and develop high performing teams while fostering accountability, collaboration and continuous improvement.
- Provide executive level advice on complex policy, operational and strategic matters.
- Work across WSA to align people, resources and priorities with organizational and government direction.
- Represent WSA with credibility and influence on matters affecting Saskatchewan's agricultural sector and economic development.

What You'll Bring

You are a strategic, collaborative and client focused leader who can build relationships, influence outcomes and lead effectively through complexity and change. You bring sound judgement, strong communication skills and a demonstrated ability to develop people and deliver results.
The successful candidate will have a degree in a related discipline and 10 or more years of progressively responsible leadership experience.

This role is subject to a satisfactory criminal record check.

Water Security Agency

Why Join WSA

At WSA, you will have the opportunity to:

- Help shape the future of water in Saskatchewan.
- Support the continued growth and sustainability of Saskatchewan's agricultural sector.
- Influence significant policy, investment and infrastructure decisions.
- Build partnerships that support communities and economic development across the province.
- Lead meaningful work with a lasting impact on Saskatchewan.

WSA offers rewarding career opportunities, competitive compensation and a comprehensive benefits package. To learn more about our work, visit wsask.ca.
