Competition Number: WSA-14-2026/27

Are you motivated by doing meaningful work and being part of an organization committed to learning and growth? Come join our team as an Operations & Maintenance Assistant!

In this role, you will provide assistance in a variety of operational, physical maintenance and technical maintenance activities. In addition, you will assist and perform general labor duties. This position is required to perform standby duties and respond to dam operations or events outside of normal business hours.

This role focuses on ensuring operational readiness by assisting in dam operations, basin monitoring, physical maintenance inspections, operational testing, and maintenance of various mechanical, electrical, and industrial and maintenance equipment.

You will help improve the current state of Water Security Agency's (WSA) structures by assisting rehabilitation activities, repairs of concrete structures, operate mobile vehicles and equipment, fabrication of parts using hand/power tools, and other related work.

You will also support in conducting surveying, instrumentation reading and other technical monitoring activities.

The successful candidate will have Grade 12 or GED and any additional formal full-time equivalent education up to but not including 1 year. A valid Saskatchewan drivers license is required for this role.

This role is subject to a satisfactory criminal record check.
