Water Security Agency

Technologist, Operations & Maintenance

Division: Infrastructure
Unit: Operations & Maintenance
Location: Saskatoon, SK
Hourly Wage: $31.22 -$39.02 (Classification 7)
Competition Number: WSA-44-2026/27

Are you passionate about doing meaningful work? Do you care about water as one of our most important resources? The Water Security Agency is seeking a Technologist to join the Operations & Maintenance team.

Reporting to a Supervisor, an employee in this job will undertake duties to ensure; operational readiness and complete operations of WSA Infrastructure, internal and public safety, and contribute to the improvement of water management and economic growth.

The duties and responsibilities will primarily focus on conducting routine inspections and preventative maintenance while maintaining accurate logs and records.
You will work among a diverse and passionate team of professionals from various disciplines and contribute to projects that will have an impact province-wide.

The successful candidate will have a Diploma in Civil Engineering Technology, or a similar discipline and be eligible for certification with Technology Professionals Saskatchewan (TPS) as a Professional Technologist (PTech or P.Tech).

This role is subject to a satisfactory criminal record check.

We offer rewarding career opportunities, competitive salaries, and a comprehensive benefits package. To learn more about the work we do, visit ***wsask.ca***

To Apply:
Please submit a cover letter and detailed resume by **5:00pm on November 24, 2026** to: **hr@wsask.ca**

In your application, please include the competition number (WSA-44-2026/27) and tell us where you found our job posting.

We would like to thank all applicants for their interest; however, only those selected for an interview will be contacted.
